

### Information about our use of cookies

At Lantum, we believe in being clear and open about how we collect and use data related to you. In the spirit of transparency, this policy provides detailed information about how and when we use cookies. This cookie policy applies to any Lantum product or service that links to this policy or incorporates it by reference.

We use cookies and other technologies to ensure everyone who uses Lantum has the best possible experience. Cookies also help us keep your account safe. By continuing to visit or use our services, you are agreeing to the use of cookies and similar technologies for the purposes we describe in this policy.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies enable us to provide a variety of features and functionality. For example, cookies enable us to identify you, secure your access to Lantum and save your product usage preferences. Any browser visiting these sites will receive cookies from us.

We use the following categories of cookies:

**Strictly necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.

**Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

**Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences.

**Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the content displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies.

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

Except for essential cookies, all cookies will expire after 2 weeks unless renewed again by visiting our sites.

To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit [wikipedia.org](http://wikipedia.org), [www.allaboutcookies.org](http://www.allaboutcookies.org), or [www.aboutcookies.org](http://www.aboutcookies.org).
